You said it's around here.

Ah? Uh...

You even said you came by few days ago. Do you know for how long you've been wandering round now?

Shame on me.
This is 3rd time and I am still having a hard time.

3... 3rd time ?! Are you serious?! And you are STILL lost ?!

The roads around here are confusing...

Stop the car right now!

It won't take long..

I said, STOP THE CAR!

Okay, okay, got it.

Where am I ?

The convenience store without a name ?

It's right around there and yet he couldn't find the place?

Go up from there and you will see an alley directly ahead.

I am going.

Once you are there...

Mm ?

That's ...

Does she live around here ?

Yeah, sorry.

I am there.

Good.
Go further in and you will see an orphanage.

It's on the opposite side, a 4 story building.
